Expertise and Capabilities:

Creative Design

Consultation, design, and construction of exhibition booths with full project management using advanced tools like 3D Max, SketchUp, and AutoCAD.

Project Management

Efficient execution of large-scale projects while ensuring compliance with deadlines and budgets.

Technology & Sustainability

Integrating smart lighting systems and sustainable materials in booth construction.

24/7 Customer Support

Providing round-the-clock support at all stages, from pre-execution to post-completion.

Lifetime Warranty

Ensuring durability of all projects through advanced techniques and high-quality materials.

Legacy & Global Reach

With over 30 years of experience, Kiamehr Vision has successfully delivered major governmental and private projects, expanding internationally since 2017.

Competitive Pricing

Committed to delivering high-quality services at cost-effective rates through a "lower profit, higher sales" strategy.
